The following information will be used to prioritize middle school applicants for extended elementary school enrollment in an Enrollment Zone, as approved by the DPS Board of Education.

Applicants for grades 6 – 8 are prioritized in the following way:

1. District resident students who are currently attending the school
2. Children of full-time employees of the school
3. Students who reside in the enrollment zone **and** have a currently-attending sibling
4. Students who reside in the enrollment zone
5. District resident students with a currently-attending sibling
6. District resident students impacted by school closure decisions
7. All other District resident students
8. Non-District resident students who are currently attending the school **or** who have a currently-attending sibling
9. All other non-District resident students

Denver Public Schools makes every attempt to accommodate siblings who apply together in the same school year. A separate SchoolChoice form must be submitted for each sibling to be considered.
