Information published within the Enrollment Guide is subject to change, and some information may have changed since the guide was printed. This publication is not intended to be a complete directory of information concerning all DPS schools. DPS is not responsible for the content or language of third-party advertisements included in this guide.
CHOOSING A SCHOOL IN DPS

Denver Public Schools takes pride in the school options available to our families. We truly believe there is a best-fit school for each and every student. But with so many choices, you may not know how to begin the process. Below are some things to think about when starting your school search.

FIRST, TAKE A CLOSE LOOK AT YOUR NEIGHBORHOOD SCHOOL. All students in kindergarten through 12th grade are guaranteed a spot at their neighborhood – or boundary – school. You can determine your neighborhood school by typing in your address at schoolfinder.dpsk12.org.

IF YOU’RE INTERESTED IN ATTENDING A SCHOOL OTHER THAN YOUR NEIGHBORHOOD SCHOOL, THERE ARE SEVERAL WAYS YOU CAN RESEARCH YOUR OPTIONS:

- This enrollment guide contains information on every middle and high school within DPS, including programs, contact information and more. To help you organize your search, the schools are divided into five general regions of the city.
- Visit schoolfinder.dpsk12.org. You can search schools by address, programs or alphabetical list.
- Meet schools face-to-face during the DPS Regional School Expo Week, Jan. 21-23, 2020. These school fairs, held in five general areas of the city, are a great way to compare schools side-by-side and speak to school staff.
- Tour schools that interest you. There’s no substitute for walking the halls, meeting the teachers and talking to school leaders. Contact individual schools for more information.

Once you’ve selected the schools that interest you, you’re ready to take part in SchoolChoice, our unified enrollment system. The next SchoolChoice window is Jan. 15 to Feb. 18, 2020. See page 8 for more information.

TYPES OF SCHOOLS

DISTRICT-MANAGED SCHOOLS
Operated, supervised and supported by DPS and its Board of Education.

- Some district-managed schools are INNOVATION SCHOOLS, which have been granted status by the DPS Board of Education and the Colorado Department of Education, providing increased flexibility with education programs, staffing, schedules and budgets to best meet students’ needs.
- District-managed schools also include some MAGNET SCHOOLS or programs, which emphasize a particular style of learning or educational need, or serve students with a common area of interest, and may provide transportation to students who live outside the school’s neighborhood. Examples include Montessori, Highly Gifted and Talented, and Dual Language schools or programs.

CHARTER SCHOOLS
Independently operated public schools governed by an independent Board of Directors.

- All charter schools are accountable to the DPS Board of Education and to the same academic performance standards as district-managed schools.
- Charter schools have flexibility to design their own educational programs and school-based policies.
- All charter schools are committed to equitably serving all students within the district. Some charter schools serve a neighborhood boundary or give a priority to students who live within a designated area.

PATHWAYS SCHOOLS

- PATHWAYS SCHOOLS may be district-managed or charter. Pathways schools offer intensive academic and affective supports that lead students to a diploma and connect them to postsecondary opportunities. Most pathways schools provide the opportunity to earn more credits per year than traditional settings.
Knowing how well schools are serving students and families is a key part of how we will reach our Denver Plan 2020 goal of Great Schools in Every Neighborhood. The School Performance Framework, or SPF, measures many important aspects of what we know makes a great school, such as:

- Student and parent satisfaction
- Improved scores on state tests from year to year
- How well the school serves and challenges all of its students

The SPF is like a report card for schools that lets us know where a school is making progress and where we need to focus on improving. Please keep in mind that SPF is just one factor in deciding which school is best for your student.

All schools are in the process of making improvements that may be starting to show results on the SPF. These types of big changes take the patience and hard work of outstanding educators supported by extra resources, which is why DPS provides more intense support to the schools that need it most.

Our school report card puts special emphasis on student academic growth, or how much progress students have made from one year to the next. In DPS, we believe what is most important is not where kids start, but how much they grow.
HOW TO READ THE SCHOOL RATINGS

HOW ARE SCHOOLS RATED?
We use a color-coded rating scale to show at-a-glance how schools are performing, ranging from our highest rating, Distinguished (blue), to our lowest rating, Accredited on Probation (red). In DPS, we have high expectations for all of our schools, to make sure our students are prepared for college, career and life when they graduate from DPS.

ACADEMIC GAPS
Ensuring our schools are serving all students well is an important area of focus on the SPF. In DPS, we believe a great school is one that serves, challenges and supports all students well. We are especially concerned about closing opportunity gaps for our students who have been historically underserved in our nation’s public schools, including students of color, students in poverty, English language learners and students with disabilities. That’s why each school will receive an Academic Gaps rating that directly affects their overall SPF rating.

Schools are only eligible to receive our highest ratings of Distinguished (blue) or Meets Expectations (green) if it earns a blue or green rating on Academic Gaps. This means that a school could earn an overall score that would otherwise qualify it for a blue or green rating, but will have its rating downgraded to yellow if the school is not meeting expectations for all students.

RATING SCALES

OVERALL

DISTINGUISHED:
High-quality school that demonstrates strong results across most areas.

MEETS EXPECTATIONS:
Quality school that demonstrates good results in many areas, with a few areas in need of some improvement.

ACCREDITED ON WATCH:
School that demonstrates results in some areas and/or has several areas in need of improvement.

ACCREDITED ON PRIORITY WATCH:
School that demonstrates low results overall and/or has multiple areas in need of significant improvement.

ACCREDITED ON PROBATION:
School that demonstrates minimal results overall and has many areas in need of significant improvement.

GROWTH
While schools are given an overall SPF rating on the five-color scale you see above, we use a simplified, four-color rating scale for the individual measures that add up to the overall rating.

EXCEEDS EXPECTATIONS: 79.5 TO 100%
MEETS EXPECTATIONS: 50.5 TO 79.49%
APPROACHING EXPECTATIONS: 33.5 TO 50.49%
DOES NOT MEET EXPECTATIONS: 0 TO 33.49%

2019 SPF RATINGS
SPF ratings for each school are depicted in this enrollment guide using the graphic shown below. The top bar of the graphic refers to a school’s overall rating; the bottom bar refers to student academic growth.
DPS believes that all students should have access to quality schools, regardless of where they live in Denver. Every DPS student is guaranteed enrollment in their neighborhood school. However, any student who wants or needs to attend a new school the following year may take part in SchoolChoice. (Enrollment for preschool students at a DPS program is not guaranteed; preschool families need to apply on a yearly basis.)

**FIND YOUR NEIGHBORHOOD SCHOOL**

If you are a Denver resident and need to enroll your student for the current school year, you may enroll directly at the neighborhood school that serves your address. You can visit [schoolfinder.dpsk12.org](http://schoolfinder.dpsk12.org) to determine your neighborhood school. To enroll, contact the school office directly for registration dates and required documents.

Some parts of Denver are served by enrollment zones, or geographic areas where students are guaranteed a seat at one of several schools, not just one particular school. If you recently moved and reside within Denver, and you now live in an enrollment zone or would like to attend a school other than your neighborhood school for the current school year, please complete an application by creating an account and logging in at [dps.schoolmint.net/signin](http://dps.schoolmint.net/signin).

**SCHOOLCHOICE**

If you want to enroll your student in a DPS school other than your neighborhood school for the following school year, you may take part in SchoolChoice, our online unified enrollment system. **Round 1 of SchoolChoice for the 2020-21 school year is Jan. 15 to Feb. 18, 2020.**

During SchoolChoice, families submit one application per student, on which they rank their top school preferences. DPS then matches students to schools based on those preferences, as well as school admission priorities and available space. Our system is designed to maximize the number of students getting their most-preferred school.

**HOW TO TAKE PART**

**FIND** the best school for your student

- Use the mobile-friendly online School Finder at [schoolfinder.dpsk12.org](http://schoolfinder.dpsk12.org)
- Read the enrollment guide
- Attend one of our regional school expos Jan. 21-23, 2020
- Tour individual schools

**APPLY** by submitting your SchoolChoice application online

- Create an account at [dps.schoolmint.net/signin](http://dps.schoolmint.net/signin)
- Sign in and rank your school preferences when the application is open, Jan 15-Feb. 18, 2020
- Submit anytime Jan. 15-Feb. 18 at 4 p.m.

**REGISTER** to attend your school

- Look for school placement results in late March 2020
- Contact the school to register for the 2020-21 school year
SCHOOLCHOICE KEY DATES

JAN. 15, 2020
Round 1 SchoolChoice application opens

JAN. 21-23, 2020
DPS Regional School Expo Week

FEB. 18, 2020
SchoolChoice applications are due by 4 p.m.

LATE MARCH, 2020
Families are notified of school placement

EARLY APRIL, 2020
Round 2 of SchoolChoice opens
ADVANCEMENT VIA INDIVIDUAL DETERMINATION (AVID) is a K-12 college readiness system that places students – particularly those from groups traditionally underrepresented in higher education – on the college track. As a key strategy in closing the opportunity gap, AVID students are held accountable to the highest standards with academic and social support to reach their full potential. AVID prepares students for postsecondary success by equipping them with essential skills, academic norms and college knowledge so they feel empowered to take ownership of their education.

ADVANCED PLACEMENT (AP) classes help high school students prepare for college in a rigorous, college-like experience. AP is a curriculum created by the College Board offering standardized courses that are generally recognized as equivalent to undergraduate college courses. Students who obtain qualifying national AP exam scores may be able to receive credit and advanced placement at participating colleges and universities, saving them both time and money during their college years.

ARMY JUNIOR RESERVE OFFICERS’ TRAINING CORPS (JROTC) is an exciting program offered to high school students that teaches character education, student achievement, health and wellness, leadership and diversity. In addition to promoting citizenship, JROTC also prepares students for postsecondary options including college or the workforce. Through cadet-run programs and team competitions, students learn valuable professional skills like leadership, teamwork, time management, self-discipline and communication.

ARTS FOCUS SCHOOLS embody arts (visual art, theater, dance, music) exploration methods along with rigorous instruction in all academic subjects such as reading, writing and science. To search art offerings at individual schools, visit arts.dpsk12.org/school-locator.

ACCELERATING STUDENTS THROUGH CONCURRENT ENROLLMENT (ASCENT) is a program based on legislation that allows DPS to pay the college tuition, fees and cost of textbooks for one full school year (fall and spring) of college for participating students. Passed into law in 2009 as an extension of the Concurrent Enrollment program, the purpose of ASCENT is to improve academic programming and create a path for students to enroll in college courses and earn credits while in high school. Students are eligible to enroll at one of many participating community or technical colleges. ASCENT students have access to whole child supports including academic, social and emotional, and financial support throughout their entire first year of college.

BLENDED LEARNING combines online digital media with traditional classroom methods.
CAREERCONNECT gives students early exposure to many career options as they learn more about their own passions and interests. With a focus on Colorado’s most in-demand industries, students are offered hundreds of career-related courses at many levels – from introductory all the way to classes that offer opportunities to earn college credit or industry credentials. Through engaging, hands-on projects, students learn professional skills and are empowered to generate solutions. While enrolled in a CareerConnect pathway, students are partnered with companies, higher education institutions and non-profits to get workplace experiences including site visit days, internships, mentoring, apprenticeships and more. For detailed information on the CareerConnect programs and pathways available at each school, please visit: CareerConnect.dpsk12.org.

COMPETENCY-BASED LEARNING allows students the flexibility to progress as they demonstrate mastery of academic content, regardless of time, place or pace of learning.

CONCURRENT ENROLLMENT allows students to take free courses at local colleges and universities while enrolled in high school. Students gain exposure to the academic challenges of college while in their supportive high school environment or on a college campus, earning college and high school credits simultaneously. Concurrent Enrollment is available at all DPS high schools as well as select DPS charter schools. Participation in concurrent enrollment is based on a student’s college readiness as well as their Individual Career and Academic Plan (ICAP) – a graduation requirement for the classes of 2021 and beyond – which students develop with their counselor or school leader.

CREDIT RECOVERY offers students the option to earn credit for classes they did not successfully complete so that they are on track to graduate. DPS offers Credit Recovery in all district-managed high schools as a competency-based online and teacher-supported program.

For more information on career and college programs, visit collegeandcareer.dpsk12.org.
DENVER SCHOLARSHIP FOUNDATION FUTURE CENTERS, located in a number of DPS high schools, support students as they prepare for college at a four-year, two-year or technical school. Advisors help students apply, earn scholarships and succeed in college. Visit denverscholarship.org for information.

EARLY COLLEGE allows students to take free college-level courses while in high school, and creates an intentional pathway that leads to a college degree. Early college schools are designated by the Colorado State Board of Education. The early college design provides the opportunity for students to earn associate’s degrees, other postsecondary credentials, or up to 60 college credit hours upon high school graduation. Students can also earn an industry certificate in an area that interests them, such as accounting, graphic design, automotive service and technology, web research and more.

EXPEDITIONARY LEARNING combines traditional instruction in core subjects with community service and real-world projects that support students in exploring the world outside of the classroom.

INTERNATIONAL BACCALAUREATE (IB) PROGRAMMES offer a more comprehensive approach to advanced education. IB Primary Years, Middle Years and Diploma Programmes provide a challenging curriculum that is consistent and highly regarded around the world. IB schools focus on international perspectives of learning and teaching, while supporting students in fully exploring their home culture and language. IB instruction helps develop the intellectual, personal, emotional and social skills that prepare students for success in a rapidly globalizing world. Students who take IB courses and exams in high school stand out in the college admissions process and have the opportunity to earn credits or advanced standing at most colleges and universities in the U.S.

INTERNATIONAL FOCUS SCHOOLS offer a unique curriculum that relates the classroom to the world as a whole. Students explore different cultures and international perspectives while developing skills that will help them be successful in a rapidly changing world.

MONTESSORI PROGRAMS observe and support the natural development of children in a self-directed learning environment. DPS Montessori programs focus on helping children develop creative, problem-solving, social and time-management skills.

NATIVE AMERICAN STUDENT SUPPORT PROGRAM (NASSP) AND FOCUS SCHOOLS offer support services by bringing together students with a shared heritage and culture. NASSP staff ensure students have access to all opportunities and resources in the district. The goal is to increase the graduation rate of American Indian and Alaska Native students. Contact NASSP at 720-423-2042 for more information.

PERSONALIZED LEARNING facilitates academic success by first determining the learning needs, interests and aspirations of individual students, and then providing learning experiences that are customized for each student.

PRE-COLLEGIATE PROGRAMS are focused on preparing students for continuing their education after high school; can include earning college credit during high school.

PROJECT-BASED LEARNING is a method in which students gain knowledge and skills by working for an extended period of time to investigate and respond to an authentic, engaging and complex question, problem or challenge.

SERVICE LEARNING combines work on a community project, such as a volunteer setting, with classroom studies.

STEM is a curriculum based on the idea of educating students in four specific disciplines – science, technology, engineering and mathematics – in an interdisciplinary and applied approach.
DENVER HEALTH SCHOOL-BASED HEALTH CENTERS

Denver Health School-Based Health Centers, located at 18 DPS campuses, offer free health care to any DPS student, regardless of their school, insurance status or ability to pay. If there is not a location at your child’s school, you may use the one located closest to you. These centers are at the following locations:

- **ABRAHAM LINCOLN**
  (2285 S. Federal Blvd.)
- **BRUCE RANDOLPH** (3955 Steele St.)
- **EAST** (1600 City Park Esplanade)
- **EVIE DENNIS CAMPUS**
  (4800 Telluride St.)
- **FLORENCE CRITTENTON**
  (55 S. Zuni St.)
- **JOHN F. KENNEDY**
  (2855 S. Lamar St.)
- **KEPNER CAMPUS**
  (911 S. Hazel Court)
- **KUNSMILLER**
  (2250 S. Quitman Way)
- **LAKE CAMPUS** (1820 Lowell Blvd.)
- **MANUAL** (1700 E. 28th Ave.)
- **MARTIN LUTHER KING, JR. EARLY COLLEGE** (19535 E. 46th Ave.)
- **MONTBELLO CAMPUS**
  (5000 Crown Blvd.)
- **NORTH** (2960 Speer Blvd.)
- **NOEL CAMPUS** (5290 Kittredge St.)
- **PLACE BRIDGE ACADEMY**
  (7125 Cherry Creek Drive North)
- **SOUTH** (1700 E. Louisiana Ave.)
- **THOMAS JEFFERSON**
  (3950 S. Holly St.)
- **WEST CAMPUS** (951 Elati St.)

For more information, visit denverhealth.org.
The mission of DPS Transportation Services is to provide safe, equitable and efficient transportation services to our students. We know that getting to school safely is the first step in a great learning experience, and helps ensure that Every Child Succeeds.

STANDARD

- **ELEMENTARY SCHOOL STUDENTS (GRADES K-5)** are eligible for standard bus transportation if they attend their neighborhood boundary school and live more than 1 mile from the school.

- **MIDDLE SCHOOL STUDENTS (GRADES 6-8)** are eligible for standard transportation if they attend their neighborhood boundary school and live more than 2.5 miles from the school.

- **HIGH SCHOOL STUDENTS (GRADES 9-12)** (outside of the Near and Far Northeast Success Express Shuttles) are eligible for Regional Transportation District (RTD) if they attend their boundary schools and live more than 2.5 miles from their school. Eligible high school students receive the monthly RTD pass at no charge from their school. For more information about the RTD bus routes, visit transportation.dpsk12.org.

ENROLLMENT ZONES

Students who live within the enrollment zones receive transportation specific to that zone.

- **NEAR AND FAR NORTHEAST SUCCESS EXPRESS SHUTTLES**: School bus shuttle systems that circulate separately throughout the Far Northeast and Near Northeast neighborhoods to provide transportation to and from DPS schools in each community.

- **SOUTHWEST EXPRESS**: Transportation system that serves students who live and attend middle school in the Southwest Middle School Enrollment Zone.

- **WEST ENROLLMENT ZONE**: Transportation system that serves students who live and attend middle school in the West Middle School Enrollment Zone.

- **FAR SOUTHEAST ENROLLMENT ZONE**: Bus system that serves students in the Far Southeast Elementary Enrollment Zone.

- **GREATER PARK HILL/STAPLETON MIDDLE SCHOOL ENROLLMENT ZONE**: Transportation system that serves middle school students in the Park Hill/Stapleton neighborhood.

For more information, visit transportation.dpsk12.org/eligibility-and-routing, and scroll down to Enrollment Zone Transportation.

MAGNET SCHOOLS

Transportation is available to all students enrolled in a magnet program such as Highly Gifted and Talented who meet the transportation eligibility criteria, and who live within the magnet transportation zone.
OTHER CONSIDERATIONS

SPECIAL EDUCATION
Special education programs at DPS are offered based upon each student’s individual needs. Transportation is provided as a related service to a center-based program. For information about transportation for a child with special needs, call Student Equity and Opportunity at 720-423-3437 or email StuTrans@dpsk12.org.

ENGLISH LANGUAGE ACQUISITION
When boundary schools do not provide English Language Acquisition (ELA) services, students are eligible to attend – and receive transportation to – the school in their area that offers ELA services. For ELA school locations and transportation guidelines, visit ela.dpsk12.org.

EXCEPTION REQUEST PROCESS
Families of students who are not eligible for transportation or who have “choiced” out of their neighborhood school may submit an exception request to be considered for transportation. This request is completed online using the Parent Portal; visit myportal.dpsk12.org and navigate to the “Transportation” page. Visit transportation.dpsk12.org for information on the exception request process.

+PASS
Every transportation-eligible student in DPS who rides a school bus must scan their +Pass every day. The +Pass ensures student safety and peace of mind for families. For replacements or a temporary pass, please contact your school office or email +passadmin@dpsk12.org.

NOTE: Parents can view their child’s bus route and +Pass recorded data by logging into their Parent Portal account.

BUS BULLETIN
Parents of students who ride the school bus will receive real-time information and updates about their student’s bus service through Bus Bulletin. Text, email and voice notifications will be sent to parents when buses are running more than 15 minutes late due to traffic, emergency or weather delay. Parents of transportation-eligible students are automatically enrolled to receive Bus Bulletin based on the phone number and email address provided when they registered their student for school.
MEETING YOUR STUDENT’S NEEDS

GIFTED AND TALENTED SERVICES

WEB: studentequity.dpsk12.org/gifted-talented
PHONE: 720-423-2056

WHAT ARE GIFTED AND TALENTED SERVICES?
Gifted and Talented (GT) services in DPS are designed for students whose demonstrated abilities, talents or potential for accomplishment are so exceptional that they require special resources to meet their needs. GT identification is based on multiple indicators including achievement and ability data, creativity assessments, portfolio work and performances, when appropriate. Students’ body of evidence can also be reviewed based on recommendations from parents/guardians, teachers, other students or self-nomination.

Every DPS-run school that offers first through eighth grades provides GT services and has a GT teacher who can provide more information. All K-12 students identified as GT will receive an Advanced Learning Plan in their strength areas. All charter school students identified as gifted and talented will receive an Advanced Learning Plan as well, although each charter school will determine the specific GT support it will provide.

HIGHLY GIFTED AND TALENTED (HGT) PROGRAM
The HGT program provides an option for first- through eighth-grade students whose academic abilities and unique emotional and social needs are unlikely to be met in a traditional classroom. The Gifted and Talented Department identifies students as HGT through a process in the early fall. All students in kindergarten, second and sixth grades are automatically screened for this process. Students in other grade levels must apply to be screened.

Once a child is identified as magnet-eligible or highly gifted, parents may include the HGT program at Cory, Edison, Gust, Lena Archuleta, Polaris, Southmoor and/or Teller elementary schools and Morey Middle School on their SchoolChoice application.

Please do not contact individual schools for HGT application information; families will receive the best support by working directly with the Gifted and Talented Department.
ENGLISH LANGUAGE ACQUISITION (ELA)

WEB: ela.dpsk12.org
PHONE: 720-423-2040

WHAT ARE ELA SERVICES?
Every student’s primary language is an asset that, combined with English-language skills, leads to success in school and life. English Language Acquisition (ELA) programs feature instruction by qualified teachers and dedicated English Language Development support to help English learners develop knowledge in core content areas while they learn English.

WHO IS ELIGIBLE?
All students whose primary language is not English, and are not yet proficient in English, are eligible for ELA services. At registration, parents of all new students complete a form called the Home Language Questionnaire (HLQ), which identifies the language or languages spoken by the student and his/her family. If a language other than English is entered on the HLQ, the school will evaluate the child’s English proficiency and recommend services that best meet his or her needs. Parents then select an ELA program for their child.

WHAT ARE THE DIFFERENT TYPES OF ELA SERVICES?
There are three main types of programs that are offered at DPS schools:

- **TRANSITIONAL NATIVE LANGUAGE INSTRUCTION (TNLI)** programs are research-based programs for English learners whose first language is Spanish. Instruction in TNLI programs is in both Spanish and English, with English instruction increasing as students become more fluent, with the goal of helping students become literate in both languages. Students whose first language is not Spanish who attend TNLI schools will receive ESL instruction.

- **ENGLISH AS A SECOND LANGUAGE (ESL)** programs are intended for English learners who speak any language. All instruction is in English, with teachers who are specially trained in working with English language learners. Depending on the number of students who speak a given language, the school may provide a native language tutor that can provide additional assistance.

- **DUAL LANGUAGE** programs are bilingual programs in which students are taught in two languages throughout their elementary or secondary education with the goal of developing bilingualism, biliteracy and cultural appreciation.

Regardless of the program, all English learners receive a daily period dedicated to English language development (ELD), which gives students the fundamental tools to speak and write English.

Contact your school of interest to learn more about their ELA program offerings. You can find a list of ELA programs by school at [ela.dpsk12.org/ela-programs](http://ela.dpsk12.org/ela-programs).
THE DPS SEAL OF BILITERACY

The DPS Seal of Biliteracy is an award earned by students who have met their high school graduation requirements, and have studied and attained proficiency in two or more languages by high school graduation. For more information, visit ela.dpsk12.org/seal-of-biliteracy.

NEWCOMER CENTERS

Newcomer Centers are designed for students who are new to the U.S., have had interrupted schooling, and need additional support adjusting to a new educational system. Newcomer Centers are located at Place Bridge Academy (K-5), Merrill Middle School, Abraham Lincoln High School, DCIS at Montbello (6-12) and South High School.
SPECIAL EDUCATION SERVICES

WEB: studentequity.dpsk12.org/special-education
PHONE: 720-423-3437
EMAIL: sped@dpsk12.org

WHAT ARE SPECIAL EDUCATION SERVICES?
Special Education is a federally mandated program for students who qualify for specially designed instruction due to an educational disability. DPS schools provide educational services to meet the needs of students with disabilities who qualify under the Individuals with a Disability Education Program. If a student qualifies, an Individualized Education Program (IEP) is developed to provide specially designed instruction for the student. This includes instruction from trained and licensed special education teachers. Students may also receive support from nurses and mental health providers, as well as speech/language and motor therapists.

WHO IS ELIGIBLE?
Eligibility is determined by a formal assessment process that uses criteria associated with specific disabilities. Within this evaluation process, families are provided information regarding their child’s eligibility and options for services.

WHERE ARE SPECIAL EDUCATION SERVICES AVAILABLE?
All DPS schools, including charter schools, provide a continuum of services to meet the unique needs of students with disabilities. Some schools have specialized programming such as Deaf and Hard of Hearing Services or Autism. The child’s IEP team determines if students need this level of programming.

HOW DO I ACCESS SPECIAL EDUCATION SERVICES?
Students do not directly enroll in special education services. Instead, families participate in the evaluation of their child’s eligibility and are included in the determination of the services their child will receive once DPS completes the formal assessment process. If you believe your child may qualify for special education services, contact your school of interest to inquire about an assessment being completed for your child.
The following schools will open in the 2020-21 school year:

**American Indian Academy of Denver**

**French American School of Denver**

**Near Northeast**

**Note:** The following schools have new names effective 2019-20:
- DSST: Stapleton High School is now DSST: Montview High School (G4)
- DSST: Stapleton Middle School is now DSST: Montview Middle School (G4)
- High Tech Early College is now Northeast Early College (H3)
- High Tech Elementary School is now Willow Elementary School (G3)

DENVER GREEN SCHOOL NORTHFIELD
Denver Green School Northfield is a neighborhood innovation school and is one of the few DPS schools dedicated to sustainability. We provide a “hands-on, brains-on” curriculum that is designed to ensure all learners achieve at a high level. Our students are prepared to excel in the colleges and careers of tomorrow. We have been a high-achieving and high-growth school for several years at our original campus in the Virginia Vale neighborhood, and expect to bring the same level of excellence to Northfield.

Together, we make college possible.

Located in 14 Denver Public Schools High Schools, Denver Scholarship Foundation (DSF) Future Centers help prepare DPS students for college.

DSF College Advisors help students get information about college options, financial aid, and scholarships.

To learn more about DSF visit www.denverscholarship.org.
Make a Difference. Be Counted.
The Census is coming March 2020.

You have the power to stand up and be counted. Make sure to fill out the Census.

In short, the Census is a Constitutionally-mandated head count of every single person in the US done once every 10 years.

It consists of 9 short questions that cover things like your age and number of people living in your household and helps establish $1.4 billion in federal funding for your Denver community each year. Plus, an accurate Census means federal funds for education!

The Census has never been easier to complete. Just 10 minutes online, on the phone or by mail and you’re done.

Get Prepared.

DELTA HIGH SCHOOL

DELTA High School is a pathways school located on the George Washington campus with accelerated programming on academic quarters. Students have an opportunity to earn 27.5 credits each quarter. DELTA stands for Diverse Education Leading Through Action, and our diverse school has a focus on leadership and community involvement. As a small community of students, typically 17 to 20 years old, we offer small class sizes and a lot of individual support. All of our students will have an opportunity to take college coursework for free. This school does not participate in the SchoolChoice process. Contact the school directly for enrollment information.

DENVER LANGUAGE SCHOOL – WHITEMAN CAMPUS
Imagine your child, happily engaged in telling a story to a friend, animated and excited, speaking easily in Mandarin Chinese or Spanish. Now imagine your child grown up, focused on an exciting career in international business, conversing with a client and helping to close an important global deal in Mandarin or Spanish. Children here are learning Mandarin Chinese or Spanish through a progressive language immersion program. Language assessment required for new student enrollment second grade and above.

AMERICAN INDIAN ACADEMY OF DENVER

American Indian Academy of Denver (AIAD) is a community-driven school where children are secure in their cultural identity, feel a sense of belonging, and are supported holistically while engaging in rigorous, culturally-competent academic content. AIAD is one of the first schools in the nation to implement a STEAM (science, technology, engineering, art, mathematics) curriculum through the North American indigenous cultural perspective. Students will engage in real-world problem solving and project-based learning in a multidisciplinary approach.

GROWTH > Approaching Expectations
STRIVE Prep is where every student is learning to change the world. Every day we inspire our students to think critically, communicate clearly and collaborate openly, both in and outside of the classroom. By balancing ambitious learning with celebration and joy, we fuel a sense of curiosity, creativity and possibility in every child. At STRIVE Prep, students can explore many opportunities to develop the confidence and skills necessary for success in college and beyond.

PROGRAMS:
PE • Technology • Visual Arts • Social Clubs • Student Leadership • Multi-Intensive Center-Based Program

1-855-8-INTERNET

No Contract
No Credit Check
No Installation Fee
In-Home WiFi
Limited Access to Xfinity WiFi Hotspots

$9.95 Per Month + Tax

Restrictions apply. Not available in all areas. Limited to Internet Essentials service for new residential customers meeting certain eligibility criteria. Advertised price applies to a single outlet. Actual speeds may vary and are not guaranteed. After initial participation in the Internet Essentials program, if a customer is determined to be no longer eligible for the program and elects a different Xfinity Internet service, regular rates will apply to the selected Internet service. Subject to Internet Essentials program terms and conditions. WiFi Hotspots: Available in select locations. Requires compatible WiFi-enabled laptop or mobile device. Limited to forty 60-minute sessions per 30-day period per person/account. If session is terminated before 60 mins, remaining time expires. Unused time does not carry over to subsequent sessions or 30-day periods. Not responsible for lost data resulting from terminated Internet session or any other reason. A maximum of up to 10 devices may be registered to a single Xfinity WiFi On-Demand account. May not be combined with other offers. Call 1-855-846-8376 for restrictions and complete details, or visit InternetEssentials.com. © 2019 Comcast. All rights reserved.
