2020-21 SchoolChoice Priorities
Non-Boundary School

The following information will be used to prioritize applicants during the SchoolChoice student assignment process, as approved by the DPS Board of Education.

All applicants for grades K-8 are prioritized in the following way:

Note: No particular type of applicant is guaranteed admission.

1. District or non-District resident students with a sibling admitted at the school or are children of full-time employees of the school
2. Students with a sibling who is an alumnus of the school
3. District resident students currently impacted by school closure decisions
4. Students who reside in a geographic area within the Stapleton Elementary enrollment zone with a high concentration of students eligible for free and reduced price lunch**
5. District resident students who reside in a geographic area with a high concentration of students eligible for free and reduced price lunch**
6. Students who reside in the Stapleton Elementary enrollment zone**
7. All other District resident students**
8. All other non-District resident students

*** During Round 1, 33% of available seats (after siblings, currently attending students, and children of FTEs are placed) are for students who live in a geographic area with a high concentration of students eligible for free and reduced price lunch. An additional 33% of the available seats are for Stapleton Elementary enrollment zone students, and then the remaining seats are for all district resident students.*

Denver Public Schools makes every attempt to accommodate siblings who apply together in the same school year. A separate SchoolChoice application must be submitted for each sibling to be considered.
