

DCIS HS
2023-24 SchoolChoice Priorities
Non-Boundary School

The following information will be used to prioritize applicants during the SchoolChoice student assignment process, as approved by the DPS Board of Education.

All applicants for grades 9-12 are prioritized in the following way:

Note: No particular type of applicant is guaranteed admission.

1. District resident students who are currently attending the school or District resident students with a sibling admitted at the school
2. Children of employees of the school (recipients of this priority cannot work at multiple schools)
3. District resident students currently impacted by school closure decisions
4. All other District resident students
5. Non-District resident students who have a sibling admitted at the school
6. Non-District resident students currently impacted by school closure decisions
7. All other non-District resident students

Note: If your student is currently attending DCIS Middle School, they will automatically be enrolled in DCIS High School for the next school year unless the student participates in the SchoolChoice process and is subsequently accepted to another school.

Denver Public Schools makes every attempt to accommodate siblings who apply together in the same school year. A separate SchoolChoice application must be submitted for each sibling to be considered.
