2. Students with a sibling who is an alumnus of the school
3. District resident students currently impacted by school closure decisions
4. Students who reside in a geographic area within the Central Park Elementary enrollment zone with a high concentration of students eligible for free and reduced price lunch**
5. District resident students who reside in a geographic area with a high concentration of students eligible for free and reduced price lunch**
6. Students who reside in the Central Park Elementary enrollment zone**
7. All other District resident students**
8. Non-District resident students currently impacted by school closure decisions
9. All other non-District resident students

*** During Round 1, 33% of available seats (after siblings, currently attending students, and children of FTEs are placed) are for students who live in a geographic area with a high concentration of students eligible for free and reduced price lunch. An additional 33% of the available seats are for Central Park Elementary enrollment zone students, and then the remaining seats are for all district resident students.*

Denver Public Schools makes every attempt to accommodate siblings who apply together in the same school year. A separate SchoolChoice application must be submitted for each sibling to be considered.
