2021-22
GREATER FIVE POINTS
ELEMENTARY SCHOOL
ENROLLMENT ZONE
Greetings, Denver Public Schools family! DPS believes all families should have equitable access to schools they feel are best for their students, regardless of where they live in Denver. As a resident of the Greater Five Points Elementary School Enrollment Zone, your child is guaranteed a place at one of the following schools for the 2021-22 school year:

- **COLE ARTS AND SCIENCE ACADEMY (ECE* TO 5)**
- **UNIVERSITY PREP – ARAPAHOE (K TO 5)**
- **WHITTLER (ECE* TO 8)**
- **WYATT ACADEMY (K TO 5)**
  
  *ECE offered but not guaranteed

Even though you reside in this enrollment zone and have guaranteed access to one of these four schools, you may apply to any school in the district when completing the SchoolChoice application.

There are many factors to consider as you research school options, including academic programs, extracurricular activities, transportation and school culture. Regardless of the path you choose, DPS is committed to serving as your partner in this important journey.

Look inside for overviews of all the schools in the Greater Five Points Elementary School Enrollment Zone, as well as other information to help you make your decision for next year.

To apply to your preferred schools during Round 1 of SchoolChoice, your completed SchoolChoice application must be submitted between 8 a.m. Jan. 15 and 4 p.m. Feb. 16, 2021. Notification of your student’s 2021-22 school year assignment and/or waitlist information will be sent in late March 2021.

**CHANGES TO THE SCHOOL PERFORMANCE FRAMEWORK**

In previous years, school profiles in this enrollment zone packet included information on school performance. You will notice that information is not included this year.

The DPS Board of Education on Aug. 20, 2020 voted to stop using the DPS School Performance Framework (SPF) and instructed the district to use the Colorado Department of Education’s SPF, along with a DPS-specific informational dashboard. DPS educators and leaders are working now to develop the informational dashboard, and more information will be shared as it becomes available.

Due to the impact of the COVID-19 pandemic on students and schools, the Colorado Department of Education will not issue SPF ratings for the 2019-20 school year. Please visit [www.cde.state.co.us/accountability/performanceframeworks](http://www.cde.state.co.us/accountability/performanceframeworks) to view state SPF ratings from previous years.
What are my student’s options for the 2021–22 school year?

Students living within the Greater Five Points Elementary School Enrollment Zone (who have not “choiced” out of this enrollment zone) are guaranteed a spot at one of the following schools: Cole Arts and Science Academy; University Prep – Arapahoe; Whittier; and Wyatt Academy.

If you reside in the Greater Five Points Elementary School Enrollment Zone, you should complete and submit your student’s SchoolChoice application anytime between 8 a.m. Jan. 15 and 4 p.m. Feb. 16, 2021. You will be asked to rank your top school preferences within the Greater Five Points Elementary School Enrollment Zone and/or any DPS school, including those in other regions. We recommend listing multiple preferences, up to a limit of 12. Based on the school preferences you indicate, your student will be awarded a seat at his or her highest-preference school with available space.

How do I submit the SchoolChoice application?

The application will be available at schoolchoice.dpsk12.org. We recommend using your Parent Portal username and password to log in. You can submit your application anytime between 8 a.m. Jan. 15 and 4 p.m. Feb. 16, 2021. There is no advantage to submitting your application earlier in the window.

When will I be notified of my student’s school enrollment for the 2021–22 school year?

Notification of your school assignment and/or waitlist information for the 2021-22 school year will be sent in late March 2021.

What if my student does not get his or her first-preference school?

If your student is assigned to a school other than your first-choice school, their name will be placed on a waitlist for that school, as well as any others ranked higher than the assigned school. When and if space becomes available, the school will contact you to see if you would like to accept a seat in their program. Please note: waitlists are dynamic, meaning your waitlist positions can move up or down based on the actions and priorities of all other applicants.

What if I do not submit a SchoolChoice application for my student?

Any student who does not submit an application by the Feb. 16 deadline will remain unassigned and will have an opportunity to participate in Round 2, which opens in early April, following the release of Round 1 results.
